Foreword

.csv is the international means to export data. We just do a better job at it.

Data Fields Exporter for ACT! 2007+

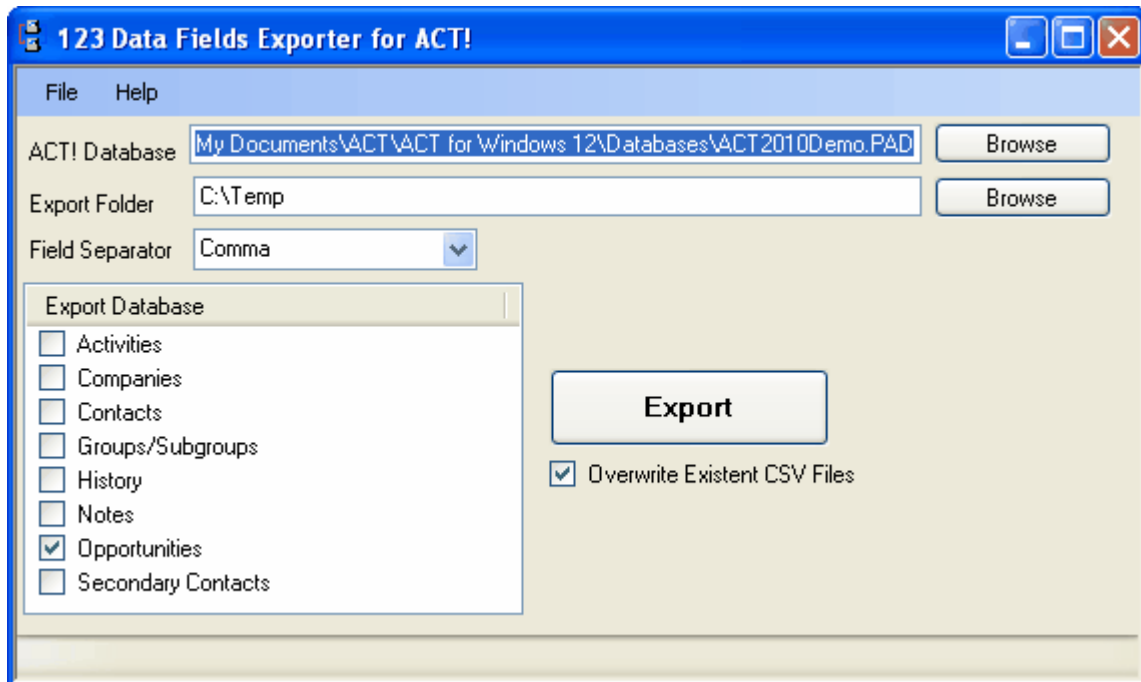

We just do a better job at it.

Part

1 Welcome

123 Data Fields Exporter for ACT! **For ACT! 2007 or later** **Export all your ACT! data in .csv format**

The purpose of 123 Datab Fields Exporter for ACT! is to export all your ACT! data, including generated data so that it can be accessed using MS-Excell or another package for data mining or import.

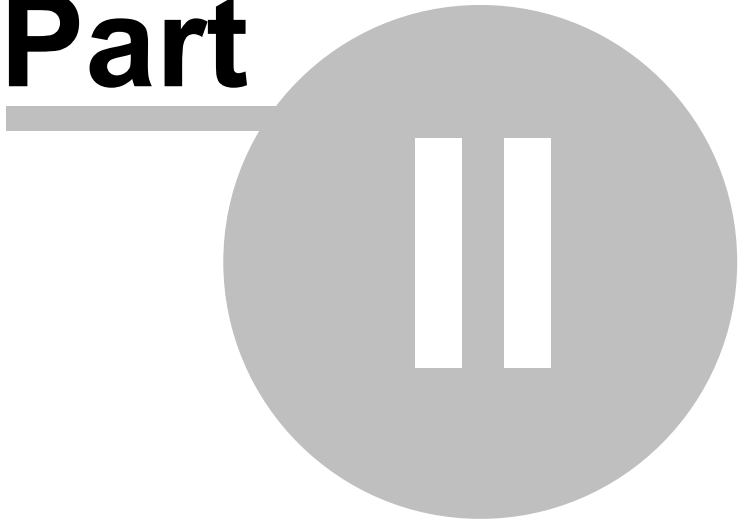

Highlights of 123 Data Fields Exporter for ACT!:

- **Single Click Export.** No complex setup procedures. Just select the database and the export folder and we do the rest.
- **Export of Contact related histories/groups, notes, and more.** Contact data is exported with fields that contain complete history, notes, group membership, secondary contacts, and opportunities.
- **All the relevant ACT! tables are exported individually.**
- **Speed.** As fast as it can be.

We just do a better job at it.

Part

2 Introduction

The purpose of 123 Synchronizer 2010 Edition is to provide users with a tool to quickly convert, synchronize, update, and transfer multi-user ACT! Contact database into multiple individual or shared Outlook Folders. Enhanced filtering system and options allow you to slice which segments of the ACT! database that you want to bring over to Outlook.

2.1 Why Use 123 Data Fields Exporter

[Major Features](#)

Ease of Use	Install, and you are ready to go.
ACT! Versions Supported	123 Data Fields Exporter for ACT! supports ACT! 2007 and later editions.
Field Conversion Capabilities	All the fields in ACT! can be converted, whether they are standard fields or user defined fields. In addition, certain fields are generated; for example, a contact's history is concatenated into a single field and put under the History_Generated field in the contact.
ACT! Tables Exported	The following ACT! tables are exported. Every table contains the relevant item ID as well the parent/owner ID (where applicable): <ul style="list-style-type: none"> • Activities • Companies • Contacts - All ACT! Contacts and fields are converted/synchronized. • Groups and subgroups. • History • Notes • Opportunities • Secondary Contacts
Excel Compatible Attachments	All files can be opened using Excel or a .csv import utility. The attachments links are embedded into the history/notes (where applicable).
Evaluation Period	123 Data Fields Exporter for ACT! allows you to export 30 records under the evaluation. A maximum total of 210 records (7 exports or 30 records) is allowed.

2.2 Help on 123 Data Fields Exporter

You can obtain help for 123 Data Fields Exporter for ACT! in the following ways:

- **The help file shipped with the product.** The help file provided with 123 Data Fields Exporter for ACT! is the most recent help file when this version was created. We provide an online version of this help file which may be more up-to-date than the shipped version.
- **The online help file.** This is the most updated version of the help file. When additions and changes are made to the help file, they are always posted on the online help file. To access the online help, go to the Help menu on the software.
- **Printed Version of this Help File.** A printer-friendly version of the manual may be obtained via the Help Section on 123 Data Fields Exporter for ACT! toolbar.
- **Email Support.** You can obtain free email support from DataFieldsManager.com. Make sure that you explain your problem/question with as much detail as possible. Use the support form on our web DataFieldsManager.com to contact us.
- **Personalized, one-on-one support.** DataFieldsManager.com will provide personalized, one-on-one support to paying customers. Support is provided on an hourly basis. If you are interested on one-on-one support, you can purchase it by [clicking here](#). A support professional will call you (US Only). If you are based outside the U.S., schedule a time to call so that we can make sure the best support person is available to receive your call.
- **Suggestions.** DataFieldsManager.com is driven to provide software solutions that will satisfy our customers. Your input is important to us and we want you to contact us if you have any suggestions on added features or even improvements we can make to our products in order to make them better. [Please click here to submit a suggestion.](#)

2.3 How to Buy 123 Data Fields Exporter

123 Data Fields Exporter for ACT! is distributed worldwide by a variety of resellers and distributors.

To Purchase

Click on the Registration->Purchase menu option of 123 Data Fields Exporter for ACT! and you will be taken to the purchase page for the product.

Home page

We just do a better job at it.

Part

3 Installation

Installation of 123 Data Fields Exporter for ACT! is straightforward. The following is needed

- You'll need approximately 60mb of hard disk space if you do not have the .Net framework installed.
- You need .Net Framework 2.0 and 3.5 Installed
- ACT! 2007 or later. Works with ACT! Standard or Premium.
- Administrator Privilege if running Windows Vista, XP, XP Pro, and 2000
- On Windows Vista, please enable UAC so that we can run properly.

To install, simply execute the 123 Data Fields Exporter for ACT! executable and follow the directions to install the program.

Once installed, 123 Data Fields Exporter for ACT! is accessed via the Start->Programs->123 Data Fields Exporter for ACT! Menu.

Sub-topics

123 Data Fields Exporter for ACT! Compatibility

Lists the system with which 123 Data Fields Exporter for ACT! is compatible with.

License Registration

Instructions on the procedures on registering 123 Data Fields Exporter for ACT!

End-User License Agreement

Uninstall

3.1 123 Data Fields Exporter for ACT! Compatibility

123 Data Fields Exporter for ACT! is an Addon Product for ACT!. Hence, it requires the user to have ACT! installed on the machine.

ACT! compatibility

[123 Data Fields Exporter for ACT! is compatible with all versions of ACT! from 2007 or later](#)

How to find out what version/build of ACT! you are running

To find out what version of ACT! you are running, do the following:

1. Click on **Help->About ACT!** on the ACT! Contact Screen
2. Check the Build Number on the right hand corner of the About Screen.

Operating System Compatibility

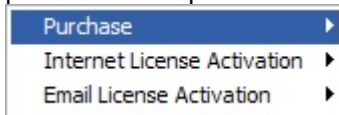

123 Data Fields Exporter for ACT! is compatible with the following Windows operating systems:

- Windows 2000
- Windows XP
- Windows XP Professional
- Windows Vista
- Windows XP 64-Bit
- Windows Vista 64-Bit

3.2 Registration

[Purchasing 123 Data Fields Exporter for ACT!](#)

To purchase 123 Data Fields Exporter for ACT!, click on the Buy/Purchase Button and it will take you to the web site for purchase. When the product is purchased, you receive a license code (some of our partners also call it a Serial Number), indicating that your product has been purchased and paid for.

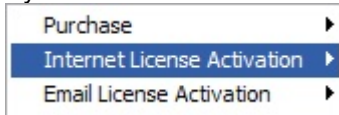

[123 Data Fields Exporter for ACT! Registration](#)

123 Synchronizer 2010 is licensed by the number of users that have an account in the ACT! database.

The software will not allow you to activate if you have a larger number of users than the license allows.

When you purchase 123 Data Fields Exporter for ACT!, you are provided with a License Number (in some cases it is called a purchase serial number). This number is your proof that you have purchased the product. To activate your product so that it works unencumbered, you need to enter the license number. You need a valid internet connection in order to activate 123 Synchronizer.

To activate the product, click on option to which you purchased the license, and you'll get the screen below:

 A screenshot of a dialog box titled 'License Activation'. The main heading inside is 'Enter License Key'. There are four input fields: 'Name', 'Company', 'Email Address', and 'License'. The 'License' field contains the text '83829-a809-dki0-098jd'. At the bottom right, there are two buttons: 'Close' and 'Register'.

To activate, enter the license in the Registration->License Activation screen. This will register your software with DataFieldsManager.com's License Registration Server and enable your product.

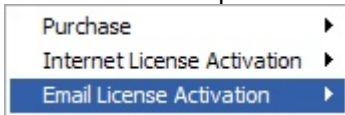

The license provided to you will only work on 1 computer. If you attempt to activate the software on another computer, the license server will not allow that.

[123 Data Fields Exporter for ACT! Registration Problems](#)

To register, 123 Data Fields Exporter for ACT! sends a registration request to a license server. In 10

some cases, this registration request is blocked by a firewall. You'll get a message like "Connection was forcibly interrupted" or "Failed to Connect". When such even happens, do the following:

1. Click on the Help->Email License Registration

2. Enter the registration details and instructions to activate the product will be sent to you.

3.3 End-User License Agreement

123 Data Fields Exporter for ACT!

LICENSE AGREEMENT - 123 Addons Inc.

This is a user license agreement (the "AGREEMENT") between you (either individual or single entity) and 123-Addons, Inc., for the version of the software (the "SOFTWARE") accompanying this AGREEMENT.

The SOFTWARE is the property of 123-Addons, Inc. and is protected by copyright laws and international copyright treaties. The SOFTWARE is not sold, it is licensed.

By availing of any of the rights licensed to you in this AGREEMENT, you agree to be bound by and are becoming a party to this AGREEMENT. If you do not agree to these terms and conditions, do not avail of the rights licensed to you in this AGREEMENT.

If you accept the terms and conditions of this AGREEMENT, you have certain non-exclusive rights and obligations as follow:

YOU MAY do any of the following:

- Use the Software for the Evaluation Period Provided;
- Use the Software for one SINGLE Computer only and for only 1 user;
- Use the Software on a network, PROVIDED that each person accessing the Software through the network must have a copy licensed to that person or an authorized network multi-user license.
- Copy the Software for archival purposes ONLY, provided any copy must contain all the original Software's proprietary notices.

YOU MAY NOT:

- Permit other individuals to use the Software except under the terms listed above;
- Distribute, reveal, post, or disseminate the license key to any other users;
- Permit concurrent use of the Software except with a multi-user license;
- Modify, translate, reverse engineer, de-compile, disassemble (except to the extent applicable laws specifically prohibit such restriction), or create derivative works based on the Software;
- Copy the Software other than as specified above;
- Rent, lease, grant a security interest in or otherwise transfer rights to the Software
- Remove any proprietary notices or labels on the Software or its output;

All other rights with respect to the SOFTWARE are reserved. The SOFTWARE is Copyright (c) 2009 123 Addons, Inc. All Rights Reserved

The Software is provided "AS IS", without a warranty of any kind.

ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS AND WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT, ARE HEREBY EXCLUDED. 123-Addons, INC. AND IT'S LICENSORS SHALL NOT BE LIABLE FOR ANY DAMAGES SUFFERED BY LICENSEE AS A RESULT OF USING, MODIFYING OR DISTRIBUTING THE SOFTWARE OR ITS DERIVATIVES. IN NO EVENT WILL 123-Addons, Inc. AND IT'S LICENSORS BE LIABLE FOR ANY LOST REVENUE, PROFIT OR DATA, OR FOR DIRECT, INDIRECT, SPECIAL, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES, HOWEVER CAUSED AND REGARDLESS OF THE THEORY OF LIABILITY, ARISING OUT OF THE USE OF OR INABILITY TO USE SOFTWARE, EVEN IF 123-Addons, Inc. HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

APPLICABLE LAW.

No matter where you acquired this SOFTWARE, California state law governs the interpretation of this agreement and applies to claims for breach of it, regardless of conflict of laws principles.

123 Addons, INC. DOES NOT INDEMNIFY ANY PARTY TO THIS LICENSE.

YOU CAN RECOVER FROM 123-Addons, Inc. AND ITS SUPPLIERS ONLY DIRECT DAMAGES UP TO THE AMOUNT YOU PAID FOR THE SOFTWARE. YOU CANNOT RECOVER ANY OTHER DAMAGES, INCLUDING CONSEQUENTIAL, LOST PROFITS, SPECIAL, INDIRECT OR INCIDENTAL DAMAGES.

This limitation applies to

- anything related to the software, services, content (including code) on third party Internet sites, or third party programs; and
- claims for breach of contract, breach of warranty, guarantee or condition, strict liability, negligence, or other tort to the extent permitted by applicable law.

It also applies even if

- repair, replacement or a refund for the software does not fully compensate you for any losses; or
- 123-Addons Inc. knew or should have known about the possibility of the damages.

123-Addons, Inc. is not bound by any provision of any purchase order, receipt, acceptance, confirmation, correspondence, or otherwise, unless 123 Addons, Inc. is specifically agrees to the provision in writing. If any provisions, or portions thereof, of this agreement are invalid under any applicable statute or rule of law, then that portion shall be deemed omitted in the applicable jurisdiction and the remaining portions of the agreement remain in force.

3.4 Uninstall

To uninstall 123 Data Fields Exporter for ACT!, do the following:

- Click on [Start->Settings->Control Panel](#)
- Execute [Add/Remove Programs](#) from the Control Panel
- Select 123 Data Fields Exporter for ACT! from the listed programs
- Click Remove and 123 Data Fields Exporter for ACT! will be removed from your system.

A Few Things

- Installing and Uninstalling will **NOT** reset the evaluation period for 123 Data Fields Exporter for ACT!
- Uninstalling 123 Data Fields Exporter for ACT! will not reset the conversion counter

Data Fields Exporter for ACT! 2007+

We just do a better job at it.

Part

5 Running Data Exporter

5.1 Background Processing

123 Data Exporter for ACT! can be run in the background. To do that, call the executable that is built for your ACT! database with a -B flag. For example:

For ACT! 2010, Build 12.0.x: "C:\Program Files\Data Fields Exporter for ACT!\123-Data-Fields-Exporter-12.exe" "-B"

For ACT! 2010, Build 12.1.x: "C:\Program Files\Data Fields Exporter for ACT!\123-Data-Fields-Exporter-12.1.exe" "-B"

Make sure that all the settings are correct and that you have overwrite files enabled so that the software will run.
